

Department of Mechanical Engg.

Proctor Notice

With a view to effect closer contact between students & teachers, to observe the regular progress of the students & to help the students in general, all the students of 4th & 6th semester Mechanical Engg of this Institute are divided into groups of 20 & placed under one Proctor. The Proctors will meet periodically to sort out the various issues & problems of the students in a free, frank & cordial manner. They will also maintain the "Mentor's Report" up to date by collecting the previous datas of their concerned students.
