DIRECTORATE OF TECHNICAL EDUCATION AND TRAINING, ODISHA, CUTTACK
15 SPIU -01/2001 Office Order No. 6338 /Dt. 9.5.2023

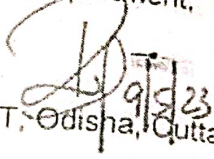

The present skilling strategy in ITIs & Polytechnics focuses on skills that can withstand technological changes through quality domain & life skills training for jobs in high-growth sectors both manufacturing & services and with high self employment intensity. The ITI & Polytechnic students are not only supported with curriculum based skills, knowledge & attitude but also add-on skills through short-term duration futuristic skill courses as envisaged under NUA Odisha scheme for their improved employability and self-employability with handful of enterprising confidence through production / service activities in own trade / akin trade/disciplines. This will also open a healthy way for Internal Revenue Generation (IRG) for the Institute for its sustainability, further growth and also complying the provisions of grading parameters.

The following principle shall be adopted for implementation of Internal Revenue Generation (IRG) scheme for all the Institutes as approved vide OSWAS file No DTET-CT-II-BUD- 0001-2023- Internal Revenue Generation (IRG) in institutes dated 06.05.2023 with immediate effect until further orders;

- 1) The Institute Management Committee (IMC) of ITIs / Polytechnics / IRG Committee comprising senior officers of the institute in the absence of IMC shall make proper planning and undertake training / production / service activities in various trades / diploma disciplines with fixation of rate for individual activities with approval of the concerned Governing Body of the district.
- 2) The IRG thus generated shall be utilized based on following principles with proper accounting procedure:
 - a) 25% of IRG generated shall be utilized towards recurring kind of expenses such as raw materials, consumables, machine maintenance, proportionate cost of electricity & internet dues, packing/forwarding charges , record keeping etc.
 - b) Remaining 25% of IRG may be utilised towards remuneration / internship of Staff & trainees associated in the training/production/service of IRG process.
 - c) The balance 50% of IRG shall be maintained at the institute level by Principal in PL Development fund account for utilization towards non-recurring activities such as purchase of new machines & improvement of training/ production service activities etc with approval of GB.
 - d) The training / production / service activities for IRG shall be carried out as a part of training program during training hours / off times as may be decided by the IMC / IRG Committee without hampering normal training schedules
 - e) IRG shall be taken as one of the grading parameters for the institute.

Sub: Internal Revenue Generation (IRG) rates for all Govt. Engineering Schools / Polytechnics and Govt. ITIs.

Sir,

In inviting a reference to the subject cited above, I am directed to say that during monthly review meeting of all the Polytechnics/ITIs held under the Chairpersonship of Principal Secretary to Govt., SD&TE Department on 17.01.2022 through VC mode, the Principal Secretary discussed the matter of Internal Revenue Generation (IRG) rates, in which it was proposed that the complete autonomy is to be given to Principals of the institutions for the fixation of rates for generation of IRG scheme, i.e., IRG rates shall be as per existing circular of R&B issued from time to time and if necessary, the Institutes are free to charge above the price of R&B circular. Further, it was proposed that the IMC constituted by the DTE&T shall decide the cost incurred.

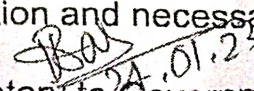

You are, therefore, requested to kindly furnish a proposal bearing the rates of various goods/services under Internal Revenue Generation (IRG) in this regard, for further necessary action at this end.

Yours faithfully,
